

ZimSupplyCo - Investor Pitch Deck

1. Executive Summary

ZimSupplyCo is a digital logistics platform connecting informal traders with affordable transport. We solve fragmented logistics by aggregating vehicles and providing real-time tracking, with a 40% cost reduction over traditional couriers.

2. Business Model

15% commission per delivery, plus subscription for premium features. Customers are informal traders and SMEs. Sales channels: mobile app, USSD, and B2B partnerships.

3. Traction

2,000+ deliveries, 500 active drivers, 1,200 registered businesses. Revenue growing 150% month-over-month. Integrated with EcoCash.

4. Team

CEO: Simon Pfuurai (Comp Sys Eng), CTO: Tinashe Matore (ex-Econet), Ops Lead: Chiedza Moyo (ex-DHL).

5. Funding Ask

Seeking \$100,000 for 30% equity, with buyback option. Funds will expand to Gweru and Masvingo, hire developers, and scale marketing.
